Section- 1

Introduction

INTRODUCTION

We at ZASECO GROUP would like to take this opportunity to introduce our group of companies and detail of our work experience and area of expertise to meet the present market requirement.

As ZASECO GROUP, company is actively engaged from last several years in the field of Fabrication, Construction & Maintenance for Power Sector, Petrochemicals, Oil & Gas, Steel Plants, Aluminum Plants & Fertilizer Plants.

ZASECO GROUP expands its operations and diversity in to other areas of business activities for trading and contracting in the field of Pipeline, Construction for new MP Oil Well, Flow-line and Cross Country Pipe-line, Tank Repair & Coating Services & General Civil work. To meet the client requirement we can increase our resources any time from our several contacts inside & outside Kingdom.

We are offering the services of supply, fabrication & installation of Storage tank, Structural & Pipelines (RTR/CS/SS).

ZASECO GROUP expansion has structured around with the Professional people who have vast experience in Project Management, procurement, Construction, supervision, quality control in kingdom and outside the Kingdom. Their exposure to Saudi Aramco, SCECO, Royal Commission, SABIC Industries, evaluated as an asset to the company and could be quoted proudly anywhere in construction activities.

We are Pre-Qualified with Saudi Aramco, SCECO, Royal Commission & SABIC Industries.

Along with the Construction activities, we are offering our services in the operation support of any construction activities involving Project Engineering, Project Management, Development of Technical Specification, Design of Construction and Shop Drawings, Preparation of Materials submittal and all other functions necessary in providing construction support with the support of our associated design firms.

These available services can be offered in the form of a turnkey design and construction project or be custom designed to suit the needs of our client. Our groups of engineers, Designers, Executive, Instrument Technicians and Electrician have a wide experience on projects for Saudi Aramco, SCECO, Royal commission, Petroleum industries, utilities and development contracts.

The logo for ZASECO, featuring a stylized green 'Z' shape with a white swoosh that forms the letter 'E'.
